

1 – Read the text carefully and answer the following questions: (14 points)

In 2022, the FIFA World Cup made history as it took place in the Middle East for the first time. Two stadiums in particular stand out. Firstly, the Al Bayt Stadium looks like traditional Bedouin tents. And, secondly, the stunning Lusail Iconic stadium, the scene of the final. As the first World Cup organized in November and December, rather than in the traditional summer months, the cooler temperatures helped teams that normally struggle when The World Cup takes place in hot climates. The organizers encouraged fans and players to experience the famous hospitality of people in the region. One particular place the organizers drew attention to was the busy Souq Waqif market. Qatar World Cup used the latest technology to improve the experience for fans and ensure the smooth running of the tournament. Nowadays, billions of viewers watch the World Cup making it a truly spectacle. From the glitz and glamour of the opening ceremony to the nail –biting drama on the pitch. Ultimately, the World Cup in Qatar represented more than just a sporting event. As nations came together to compete, Qatar welcomed people from around the world with open arms, it brought the beautiful game to new audiences for the first time.
